I hereby acknowledge by my signature below that I have read this application and state that the above is correct. I agree to comply with the requirements of the New Mexico Building Code. I waive my right to require any inspector to possess a search warrant before they enter the premises to inspect the building covered by this permit. However, I waive this right only on the following conditions: The inspector must be approved by the Construction Industries Division and this inspection must be made at reasonable times for purpose of determining whether the work of building or structure on the premises complies with the New Mexico Building Code. I understand that the issuance of this permit shall not prevent the Construction Industries Division from requiring compliance with the provisions of the New Mexico Building Code and the City of Las Vegas Zoning Code.

# City of Las Vegas Refund Policy

## **Building Permit Fee Refunds**

- ◆ The building permit fee charged includes plan review. The building official may authorize refunding of up to 80% of the permit fee if the project is never started after the permit is issued. Please submit a letter to Community Development requesting a building permit fee refund with a short explanation.
- ◆ No refund will be granted after 6 months from the permit date.
- ◆ Abandoning a project for over 6mo. will forfeit your building permit and an extension will need to be requested.
- ◆ Contractors who pull out of agreements and abandon a project shall do so in writing to the Building Division.
- ◆ A 2-year maximum limit is given on any permit issued by the City of Las Vegas, NM.

## **Extension Request of Permit**

- ◆ Unless approved by Planning & Zoning Director and/or Building Official. Depending on certain circumstances, the Extension Request may have to go before the Planning & Zoning Commission for approval.
- ◆ 180 days with no activity voids permit. Permittee/Applicant pays one half of original fee to renew.
- ◆ Changes to approved drawings could disqualify applicant from receiving an extension. A new permit might be in order

## **Change Orders/Addendums:**

Special Note:

Section 106 Deviation from the approved plans is a violation of the 2009 NM Building Codes.

- Submit (2) sets of drawings to the Building Division for approval along with the original approved documents.
- Inspections may not be called for during this process, being that original sets are in-house for approval
- Building Division will attach amended drawings to originals, where they will become part of the original.
- An adjustment to the
